## Southern California Yachting Association

Dear Racers,

2011 is the 82nd year that the Southern California Yachting Association has sponsored the Yachting Midwinter Regatta. This event is the most unique regatta held anywhere in the world.

There are participating SCYA Clubs from Santa Barbara, south to San Diego and East to Arizona. Hundreds of volunteers make it possible for over 600 boats with crew numbering in the thousands to participate. More than 30 racing venues will be hosted by individual SCYA member clubs. Classes include one-design, PHRF, Cruiser, Juniors, Masters, and Seniors, inshore, offshore, and model boats. These numbers and the rich diversity of classes are unprecedented in racing.

This Regatta allows individual Yacht Clubs to feature specific races and to get sailors from the area to participate in a combined quality race against the best sailors in Southern California.

The goal for the 2011 SCYA Midwinter Regatta Committee is to introduce new participants to the sport that we love so much while continuing to offer quality racing from our local yacht and sailing clubs; Moreover, SCYA is able to keep the entry fees down through the help of volunteers.

Sailing is not only a passion for those sailors who love to step aboard a vessel, but model boat builders and model boat racers as well, as such, there are several clubs offering races for these enthusiasts.

Enjoy the camaraderie, great racing, and fun with the SCYA Midwinter Regatta Yacht Club in your area.

Gator Cook, Chair  
SCYA 2011 Midwinter Regatta
